

# KSU INDUSTRY TOUR

*KSU Industry Tour – Where ever You are*

## An app for tours

Industry Tour is an app developed for training and work planning. Pre made tours for presentations training lessons or plant walk downs are accessible off line.

Industry tour is a high security solution without any connection or need for network to work.

The produced tours are downloaded to a standard device.

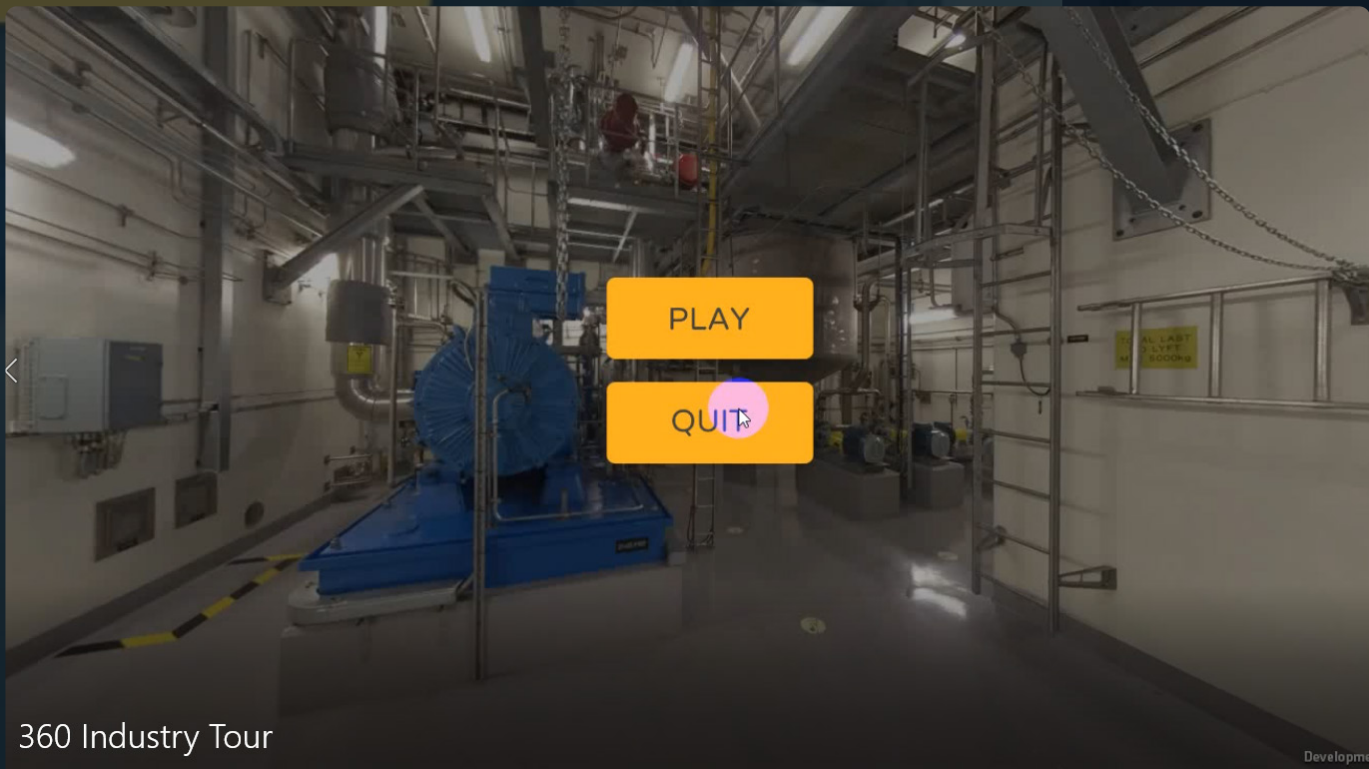

## KSU Industry Tour

- Tours are produced by our own staff at our own servers on safety-class premises.
